

# Research Roundtable

Do you picture **research** in your **future**? Well, you're at the right university! Renown professors from the **College of Engineering, Agriculture, Science, and Technology** will be presenting their research at this year's **4th annual Research Roundtable**. Last year, Research Roundtable was host to **30+** research groups and **300+** students! With a plethora of different research groups looking to hire students, opportunity is bound to come knocking at your door!
