- Dr. Vincent Drnevich, P.E. – Professor Emeritus of Civil Engineering

PURDUE
ENGINEERING

What is Our Mission?

1. Promote excellence in engineering.
2. Encourage professionalism and professional registration among engineering students and engineering staff.
3. Serve as a student advisory body to the Schools of Engineering Administration.
4. Promote awareness of career opportunities and the role of PE's in society.
5. Work with other technical societies on campus to produce integrated extracurricular activities particularly during E-week.
6. Oversees the PSPE Rube Goldberg Team.

COMMITTEES

1. Small groups of people that plan and run all the events that PSPE offers
2. To become an officer or committee chair, you must have been a member of a PSPE committee previously
3. Our committees: Events, Service/Social, and Research Roundtable

Events Committee

- Arranges speakers for all membership meetings
- Puts together the Order of the Engineer Ceremony
- Volunteers for MathCounts

Order of the Engineer Subcommittee

- Order of the Engineer Ceremony
 - Subcommittee within Events committee
 - Only graduating engineering students or previous engineering graduates can participate
 - Spring OE 5/4/14 in the PMU

OE FALL 2013

Service/Social Committee

- In charge of social events
- Volunteers for the MathCounts competition
- Does service and volunteer work around campus and Lafayette/West Lafayette

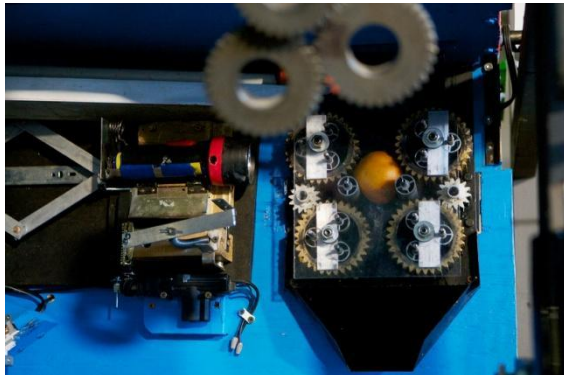

1. A regional and national competition promoting middle school math.
2. One of the largest and most successful education partnerships involving volunteers, educators, industry sponsors, and students.
3. Regionals: 2/8/14 at 8am–5pm We need 60 volunteers

Research Roundtable Committee

- A career fair for those interested in research
- Talk to companies and professors and their graduate students about research opportunities
- RR is on 1/28/14 in the PMU South Ballroom 9am–4pm

PSPE Rube Goldberg Team

- Makes a simple task extremely complicated
- World Record holder for machine with most steps
- Annual competition held at the Armory on 2/22/14 at 9:30AM

LAST YEARS MACHINE
