

The Purdue Society of Professional Engineers (PSPE), Tau Beta Pi (TBP), and PESC presents...

Research Roundtable Pre-Event Banquet

Need to jumpstart your future in **RESEARCH**? Attend the Research Roundtable Pre-Event Banquet & Research Roundtable! The event is designed to give students the chance to observe several research groups as they provide give insight and details about their research opportunities.

Schedule

6:00PM --> Introduction/ Food

6:05PM --> nanoHUB.org

6:15PM --> International
Center for BioMetric Research

6:25PM --> Undergraduate
Presentations

6:35PM --> International Center
for BioMetric Research

6:45PM --> INSPIRE
Engineering

6:55PM - End --> Q&A Session

- **nanoHUB** - Use nanotechnology to create simulation tools
- **International Center for BioMetric Research** - Use biometrics to work on the entropy of fingerprints
- **INSPIRE Research Institute for Pre-College Engineering** - Develop engineering education programs

Date/Time: Nov 9 @ 6-7 pm

Location: ME1130
